

1930S ART DECO WALNUT SIDE TABLE | STYLISH LAMP TABLE

SKU: GD1327

£0.00

A stylish 1930s Art Deco side table in Walnut veneer. In fantastic form and colour, period correct in that classic art deco styling. Butterfly veneered square top with rounded corners, stepped edge leading to four geometrically placed legs with horizontal veneer. The shelf perfectly positioned to add further design element to the piece.

Shelf size = 49com / 19", Shelf Gap 15cm / 6"

The piece is in good sound order, some age related marks and small losses to the veneer but overall a great looking original piece.

English, 1930s
