

1950S MID CENTURY FRENCH STRAW WOVEN BENCH SEAT IN THE STYLE OF CHARLOTTE PERRIAND

SKU: GD1639

A characterful 1950s French straw rush seated bench, inspired by the iconic designs of Charlotte Perriand. Crafted from solid pine, this charming piece is ideal as a small occasional bench, accommodates two people, making it a versatile addition to any room.

The natural woven straw seat provides a chic bohemian touch, while the aged timber and characterful knots add depth and texture, reflecting its storied past. Perfectly suited for a bedroom, bathroom, living area, or hallway, a practical functional piece that will also enhance your décor.

Mid-century design has a timeless calming feel to it and this small bench seat beautifully marries form and function.

In very good sturdy order, the straw seat also in strong condition. As seen from the photos it has a few small characterful knots and wear to the frame, which we have purposely kept original.
