

1950S OFFICE DESK CHAIR

SKU: GD1144

£0.00

A nicely presented 1950s (possibly earlier) chrome and leather desk chair. Very well made, heavy construction with Revvo swivel castor wheels. The chrome is in excellent condition, there is a small area of leather which has a brighter red tone (please refer to images) otherwise the leather is also in excellent original condition,

The chair is of small proportions, the seat size being 42cm Wide x 35cm Depth. The seat has minimal height adjustment at approx. 46cm - 49cm high.

See dimensions for overall size.
