

1960S MID CENTURY SQUARE CUBE TEAK COFFEE TABLE WITH DOUBLE SIDED DRAWER

SKU: GD1566

A very good quality mid century teak coffee table or sofa side table in excellent condition.

The square cube shape is a staple of mid century design and this classic piece is a superb example. A practical item with plenty of space on the lower shelf , a large single drawer which slides both ends and a generous 60cm x 60cm top. The wood has a lovely warm tone.

In excellent overall condition, some age related wear and there a small area of fading to the top (see photos) but once a few items is placed on it then its hardly noticeable.

A well made piece with solid wood drawer sides and dovetail joints. Sits on 4 castors.

Shelf height space is 21cm / 8.25inches
