

1960S VINTAGE PURE WELSH WOOL TAPESTRY BLANKET - LEMON & GREEN

SKU: GD1435

£0.00

A lovely pure welsh wool double sided tapestry blanket in a superb colourway, with lemon and green tones. The dark green against the light yellow accentuates the beautiful pattern definition of this traditional woven blanket.

This is a genuine vintage blanket, circa. 1960s and retains its original label.

This example has a long fringe giving it an overall length of 236cm (218cm without fringe), the width is 220cm

In very good condition, there is a very slight fade to one side of the blanket which is shown in photo 9 & 10 but you really do have to look closely to notice it. Very good thick fringe, and overall a very good example.
