

1970/80S MID-CENTURY MODERN BIRDSEYE MAPLE LARGE RECTANGULAR COFFEE TABLE

SKU: GD1544

A stylish 1970s/80s Mid-Century Modern Birdseye Maple Coffee Table in the manner of Milo Baughman.

A highly desirable piece with the perfect 1970s designer feel in a wonderful colour tone and contemporary form. A strong design piece, the item is heavy and constructed from plywood veneer and mdf and is likely an early 1980s piece rather than 1970s but certainly has great form and character.

The table is in very good condition, it has a few age related marks and scuffs to the top which ages the piece well and provides a really authentic finish to the piece in what is a wonderful deep rich maple colour.
