

1970S COGNAC LEATHER THREE SEATER SOFA | MID CENTURY SVEND SKIPPER | 3 PERSON

SKU: GD1234

£0.00

A classic 1970s design, this superb cognac tan leather sofa has great form and colour.

There is no maker mark but our research points to this being by Danish designer Svend Skipper.

Rich, supple heavy leather, armrests being fixed, seat and back cushions loose. Sitting on two trumpet chrome front legs with large chrome castors to the back.

A lovely sized sofa, not too bulky so will fit any room.

The piece is in good overall condition, there are a couple of small repairs, one to the right hand cushion and one to the rear as photographed.
