

1970S FACTORY STOOL

SKU: GD1094

£0.00

A nice industrial 1970's Swivel Stool, great shape with strong lines. The black paint is chipped and worn giving it a great look and feel.

The vinyl leather grain effect seat has a few small areas of wear as photographed but is in good sound condition.

Adjustable height seat: 71cm +/- 7.5cm / 28" +/-3" (approx.)
