

## 19TH CENTURY FARMHOUSE CUPBOARD

SKU: GD1116

**£0.00**

A very old Welsh Farmhouse Kitchen Cupboard. Unlike grand country house furniture, very few of these survive due to their relative primitive construction. They would have also been in daily use and once broken, would normally end up on the fire.

We love how this surviving example has had numerous running repairs over its 150 years so in that same tradition we have made a couple of small repairs to continue its journey.

A lovely character piece that can be used and enjoyed once more.
