

A DECORATIVE PAIR OF VERY OLD SOLID TEAK FRENCH CHATEAU SHUTTER MESH DOORS WITH ORIGINAL IRONMONGERY

SKU: GD1299

£1,745.00

A very solid, high quality pair of hardwood 19th Century French shutter doors in original paint. A superb looking pair of doors with original ironmongery, including meshed upper section with iron bars.

The doors do not have any glazing so these would have been originally used as shutter type door. Being hardwood, these are suitable for exterior or interior application. Would make a lovely entrance into an ensuite or bathroom or as a decorative feature on a Juliet balcony.

These are in excellent sound condition, all the joints are solid and doors are ready to use.
