

A LARGE 3FT CAST IRON FIREPLACE BASKET WITH BLACKSMITH MADE FORGED FIRE DOGS

SKU: GD1619

£695.00

Presenting a Very Large Cast Iron Fire Basket, a superb centrepiece perfect for both indoor and outdoor settings. Measuring over 3 feet, this imposing fire basket combines functionality with rugged design, making it an ideal choice for spacious open fireplaces or cosy outdoor fire place.

An Impressive Size, spanning over 3 feet, this fire basket commands attention and provides ample space for a large logs. The fire basket is complemented by hand-forged fire dogs, featuring wide arched feet that rise on solid wrought iron bar, with wide scrolls. The basket is made from cast iron with castellated spikes, enhancing its visual appeal while ensuring safety and stability.

Retaining its authentic charm, this fire basket features a natural patina with remnants of black paint and unrefined iron, adding character and age.

Embrace the warmth and ambiance of a natural fire, all while enjoying the artistry of blacksmith craftsmanship. Perfect for those who appreciate robust functionality. In excellent condition, the basket has a couple of small losses on the castellated spikes (see photos)
