A vibrant pair of Japanned bedside tables, early to mid 20th Century. Featuring three drawers with an additional false drawer to the bottom, providing a secret compartment accessed by pulling out the bottom drawer. Unusual flat nickel bronze drawer pulls.

Nicely decorated with a vibrant red/orange Chinoiserie detailing to the drawer fronts with black lacquered carcass.

A striking pair with good form and colour. In good sound order. The lacquered finish is original and has age related scuffs and crackled paint giving these real desirability and character.
