

A PAIR OF MID-CENTURY ITALIAN ARC TABLE LAMPS 1970S

SKU: GD1042

£860.00

A stylish pair of 1970s Italian arc table lamps with large mushroom globe lampshades in the manner of Guzzini.

Beautifully designed pieces with great form, heavy marble base with lightweight polished aluminium arc arm, extending to a chrome rose and large globe lampshades in excellent condition. The head has a swivel action allowing some adjustment to the light.

A matching pair, however, there is a slight difference to the chrome rose with one slightly deeper than the other - not instantly noticeable until pointed out.

The lamps have been fully re-wired and tested by Jolene Farmer Studio Ltd, London.

A wonderful original pair of classic 1970s Italian design, oozing style.
