

A PAIR OF SPHYNX CATS

SKU: GD1114

£0.00

An elegant pair of original 1960's hand carved teak Sphynx Cat figures.

Very good form and proportions, a male and female pair with very subtle differences, the female being slightly more slender.

Standing at over 30 inches tall, they are an impressive pair.

In good condition, some age related scuffs which add to their authenticity.

Purchased in Manila in 1972, been living in the UK ever since!
