

A SUPERB ORIGINAL EARLY VICTORIAN EBONISED MIRROR | VERY LARGE PROPORTIONS

SKU: GD1408

£0.00

A beautiful original early Victorian mirror, all original with ebonised frame and a wonderful original mirror plate in excellent condition.

At over 5ft wide, it would have originally been used in landscape (as photographed) but could easily work in portrait.

In very good original condition, the frame has wear consistent with a 150 year old piece. The back has a solid traditional wood frame and is very sturdy. A heavy piece.
