

ANTIQUE CORINTHIAN BRASS COLUMN STANDARD LAMP | FLOOR STANDING LAMP

SKU: GD1187

£0.00

A Neo Classical Corinthian Brass floor standing lamp, lovely cast Corinthian top with reeded cylindrical column leading onto a square base with protruding lion paw feet.

A good example with nice detailing, the brass retains a good colour with some patina to the base.

Rewired using a three core twist cable, the lamp was professionally rewired and tested by Jolene Farmer Lighting Restoration Studio.
