

DESIGNER COCONUT WICKER LOW LOUNGE CHAIR BY CLAYTON TUGONON FOR SNUG

SKU: GD1512

A low lounge chair designed by the famous Filipino designer Clayton Tugonon for Snug, the 'Coconut' chair is made from sustainably sourced eco friendly materials.

A very stylish, unique design, made from salvaged coconut stems, sea shells and wicker (possibly willow). A rare and sought after piece, not often seen in this lighter colour.

The overall condition is very good, with some minor wear, it has a solid wide footing and a very comfortable seating position with good back curvature support.

Seat height = 26cm / 10"

Made and distributed by Snug in the late 1990's. early 2000's
