

STYLISH SET OF 6 MODERN ASH AND ELM HIGH BACK DINING ROOM CHAIRS BY ERCOL

SKU: GD1478

£0.00

A stylish, contemporary set of six dining chairs by Ercol. Great design pieces with high back curved back support which is very comfortable and provides excellent back support.

Made from Ash and Elm, they are light to handle and would make a lovely vintage modern dining room set.

Ercol made this design in the early 1990s. This set is in excellent condition, some light scuffs but overall in good order and structurally sound.
