

G-PLAN HI-FI CABINET

SKU: GD1128

£0.00

A lovely G-Plan Hi Fi unit in almost as new condition, very well looked after. A great addition to any mid-century decor and a must for those 1970s / 80s stereo systems.

Glass fronted door and hinged top for easy access to turn table. One adjustable shelf inside. There is a cutout in the back of the unit for all the wires and the unit has castors for moving

around.
