

HEAVY VERDIGRIS COPPER LATTICE TOP WROUGHT IRON FRENCH SIDE TABLE CONSOLE

SKU: GD1520

A small heavy form wrought iron table with a copper lattice work top. A lovely, early 20th Century blacksmith made piece, genuine solid wrought iron. arched ends with a twisted stretcher and ball and arrow ends.

Beautifully made lattice copper weaved top, edged and soldered, sits into the ironwork framed top.

Suitable for inside or outside use, has a lovely patina to the iron with light Verdigris to the copper. Would work well as a side table or small console.
