

LARGE 1970S MID CENTURY CHROME ROSEWOOD COFFEE TABLE IN THE STYLE OF MERROW ASSOCIATES

SKU: GD1482

£595.00

A large mid century coffee table on a chrome base in the manner of Merrow Associates in excellent condition The top has a superb wood grain veneer to it and has a dark rosewood finish which provides a stylish contrast against the bright chrome frame.

Its in the style of Merrow Associates but there is no makers mark (there rarely are on the pieces) so we cannot verify the maker.

A really good size and ideal for a stylish interior design scheme seeking that authentic mid century modern design. A quality piece, some fading and wear to the top but overall in excellent order with very good bright chrome, some age related scuffs and scratches on the chrome but these are hardly noticeable due to its incredible lustre.
