

LUXURY 1980S CHAISE LONGUE DAY BED RECLINER CHAIR IN ORIGINAL STONE CHEVRON FABRIC

SKU: GD1547

A lovely high quality 1980s Chaise Longue day bed recliner chair is a stone chevron fabric. Believed to have been purchased from Harrods London in the early 1980s, the recliner adjusts to several positions, can be used as a chair or a full chaise longue. It has a great look with its original chevron geometric pattern fabric and heavy steel frame with chrome spider legs.

An exceptional piece, very well engineered and certainly made to last, of the very highest quality. The item is in excellent overall condition with some minor fading to the fabric. The piece is clean and ready for installation.
