

G PLAN MID CENTURY BUTTERFLY DINING CHAIRS BY E.GOMME

SKU: GD1262

A lovely set of 4 original 1950's G Plan dining chairs by E Gomme . From one of the pioneers of mid-century British furniture, the Butterfly chairs are both stylish and practical. these set of 4 have been re-upholstered in a lovely light green fabric which compliments the original black painted frame and veneered backrest.

To maintain the authentic look of these pieces we have kept the frames and backrest completely original, this gives the chairs a great look with some wear marks to the paint and wood veneer, which contrast nicely against the new upholstery.

Watch out for the original makers marks on these chairs as picture here 'EG - E.GOMME HIGH WYCOMBE - G-PLAN'
