

ORIGINAL MOVIE POSTER BLAZING SADDLES...MEL BROOKS

SKU: GD1204

An original British quad movie poster from 1982 featuring the double billing of Blazing Saddles (1974) and History of the World Part I (1981). Both films directed by Mel Brooks.

These were produced for theatrical re-release in the UK and this is an original poster (not a reproduction) now newly framed in simple black frame with non-reflective polycarbonate sheet.

The poster itself is in good condition, fold lines are visible but this adds to the originality of the piece which is a fantastic, fun and colourful piece of 1980s cinematic history.
