

SMALL ORIGINAL RUSTIC GREEN PAINTED PINE FARMHOUSE TABLE | WRITING TABLE DESK

SKU: GD1473

£0.00

A completely original painted pine Welsh farmhouse table in a fantastic green colour. This would have originally been a small kitchen table, a primitive simply made table yet highly decorative. Early 1900s, this example would work equally well as a small table or a writing desk.

In very good solid condition, all checked, cleaned and ready to use.
