

## SPANISH REVIVAL WROUGHT IRON TILE TOP PATIO OR HALL TABLE | CALIFORNIA CATALINA TILE TOP TABLE

**SKU:** GD1382

A lovely Original Spanish Revival wrought iron tile top table, good heavy form with well crafted scrollwork. The tile top has nice Mediterranean colour tones, with a landscape scene with deer and what looks to be huntsmen on horseback.

Good size and well proportioned elegant form.

Cira 1920, this is in very good original condition, the tile top has some age related wear and scratches but overall a wonderful decorative piece of furniture.
