

TUBULAR CHROME LEATHER SLING LOUNGER

SKU: GD1048

£0.00

A mid-century tubular chrome sling double chair in the manner of Marcel Breuer, a great look with two cognac leather slings fitted to a chrome base.

No makers mark, probably 1960s but possibly earlier.

The chrome base showing wear but is in-keeping with the overall look of the piece. The leather has some age related marks and one of the slings has a rough patch to the base, as photographed (not obvious). Both slings are in very sound order being made from heavy grade leather with double stitching.

A great looking piece.
