

UNUSUAL 1950S SWEDISH METAL PICNIC SEAT WITH SMALL PULL OUT TRAY

SKU: GD1475

An unusual 1950s metal frame picnic seat with looped handles and small pull out tray. Understood to be of Swedish origin, this is a quirky decorative piece. The seat and back is made from a tough nylon material with a textured finish. The small triangular tray and storage container rotates and pivots on the main frame, an ideal place to place your picnic items and glass of wine.

A small chair with an upright seating position, a fun piece that would make a lovely little occasional chair for a terrace or garden. Seat height = 37cm / 14.5"

The chair is in good sound condition, lovely original paint with patina. Price includes free UK mainland delivery.
