

A WONDERFUL VICTORIAN GREEN LEATHER CHESTERFIELD DEEP BUTTON HIGH BACK DAYBED CHAISE

SKU: GD1418

£0.00

A superb and unusual high back chesterfield chaise in excellent colour and form.

Very conferrable with low long seating area with the added benefit of a high back wing style armchair, unlike the more common low back chaise which look great but can be uncomfortable, this high back example provides a very relaxing seating position, the long wrap around arm provides additional space for cushions and gives this a versatile design for use against a wall or in open space.

Seat Height 36cm / 14"

The leather is in very good condition with a deep buttoned upholstery. Originally this would have sat on brass caster feet but has had replacement feet at some point and now sits on later bun type feet which give the piece a good solid base. In excellent solid condition and ready to be enjoyed.
