

WALNUT LONG STOOL

SKU: GD1183

£0.00

An eight legged long stool in a lovely warm walnut wood with original cane seat.

Beautifully proportioned with lovely wear and colour, baring its original cane seat which is in good solid condition, a couple of tiny areas of loss but nothing that effects the use of the stool.

A wonderful, decorative, country house piece full of character. A practical useable hall bench.

English, Circa 1860
