

GARDEN STATUE OF A YOUNG GIRL

SKU: GD1300

£0.00

A delightful figure of a young Girl leaning forward with a smile on her face looking forward towards the ground, she is bare foot and holding her gown scrunched tightly in both hands, possibly depicting the young girl at a ponds edge.

A small well proportioned piece that brings a little smile to the face.

A naturally weathered piece with good detail and form. The item is in good sound condition and free from damages or repair.
