

WELSH 19TH CENTURY AUTHENTIC 5FT LONG ELM PIG BENCH OF SUPERB CHARACTER

SKU: GD1476

£0.00

A large traditional Elm Pig Bench, heavily used and patinated and of superb character and form. A heavy piece consisting of a large Elm slab top with four chunky square legs to each corner which have a traditional mortice joint.

Evidence of historical woodworm which adds to the fantastic look of the piece. The piece is 'as found' with a lovely scrubbed bleached colour tone, signs of staining with darker tones of brown and black showing (as per photographs).

The piece is in good strong sound order, is clean and is ready for use.
